*Series C : Geology, Geography, Glaciology, Seismology,  
Geodesy, Geochemistry*

*Series D : Oceanography*

*Series E : Biology\**

*Series F : Logistics*

*\* Note on the Number of Series E*

*Since the Polar Section was organized in the National Science Museum in 1962, the Section has been working as a center of the Japanese Antarctic Researches and began to publish the new serial "Scientific Reports". With regard to the Reports, Series E, the Section uses the number succeeding to the serial "BIOLOGICAL RESULTS OF THE JAPANESE ANTARCTIC RESEARCH EXPEDITION", published by the SETO MARINE BIOLOGICAL LABORATORY, Shirahama, Wakayama-ken, Japan, which issue was stopped in 1962 and their back numbers are shown on page 3 of wrapper.*

*Distributed by the Polar Section, National Science Museum*

*Two Small Collections of Copepods from the Antarctic*

Otohiko TANAKA
